Current KMoAS Office Projects:

- We are piloting the use of a shorter, 1-2 page judging form and have removed the judges' guidance to a separate document.
- We continue to have discussions about improving experiences for artisans and judges. These discussions are round-tables at arts-focused events.
- We are starting the planning/logistics of the Kingdom A&S competition in 2016. A request for bids for hosting will go out shortly, so we can start the planning process.

Kingdom A&S Competition – Status Update:

- Due to a change in Kingdom Law, the Kingdom A&S Competition is held on the second weekend of April in even years. The next KA&S Competition will be in 2016.

Kingdom A&S Collegium – Status Update:

- Due to a change in Kingdom Law, the Kingdom A&S Collegium has been established and is held on the second weekend of April in odd years. This is the first time that our Kingdom has put on a Kingdom-wide collegium in many years, although the Northern and Southern halves of the Kingdom have put on successful A&S collegia.

A&S Activities of Note (events, displays, competitions, etc.):

- To get artisans more comfortable with displaying at smaller events and to prepare them, incrementally, for larger A&S competitions and Kingdom A&S and interkingdom Wars, local groups are encouraged to support artisans' displays and local competitions.

KMoAS Office Concerns/Issues (if any):

- Prompt reporting is an issue for some groups; the Kingdom Seneschal advised me not to remove any officers who were out of compliance, so I did not. However, I will continue to communicate with the local Seneschals about officers who are not in compliance with reporting requirements.

Historical Combat Studies:

- No report was provided.

Report submitted from Outlands' KMoAS to SMOAS and Crown, with courtesy copies to Southern, Northern, Historical Combat Studies, and Website deputies.
