### **Current KMoAS Office Projects:**

- We are piloting the use of a shorter, 1-2 page judging form and have removed the judges' guidance to a separate document.
- We continue to have discussions about improving experiences for artisans and judges. These discussions are round-tables at arts-focused events.
- We are starting the planning/logistics of the Kingdom A&S competition in 2016. A request for bids for hosting will go out shortly, so we can start the planning process.
- I have re-aligned my deputies away from a region-basis and to a project-basis, to provide them with meaningful projects to work on.

### **Kingdom A&S Competition – Status Update:**

- Due to a change in Kingdom Law, the Kingdom A&S Competition is held on the second weekend of April in even years. The College of St. Goliath will be hosting the next Kingdom A&S Competition, in April 2016. More details will come as planning is solidified.

### **Kingdom A&S Collegium – Status Update:**

- Due to a change in Kingdom Law, the Kingdom A&S Collegium has been established and is held on the second weekend of April in odd years. This is the first time that our Kingdom

has put on a Kingdom-wide collegium in many years, although the Northern and Southern halves of the Kingdom have put on successful A&S collegia.

**A&S Activities of Note (events, displays, competitions, etc.):**

- To get artisans more comfortable with displaying at smaller events and to prepare them, incrementally, for larger A&S competitions and Kingdom A&S and interkingdom Wars, local groups are encouraged to support artisans' displays and local competitions.
- No large-scale A&S activities were conducted during Q4; Battlemoor was reported on in Q3 (probably a little prematurely, since the event ends in the first few days of September).
- al-Barran A&S – champion – Cassia bint Abdullah
- Dragonsspine A&S – champion – Lord Cuhelyn and THLady Bronwen
- Villaleon A&S – champion – Millicent of Essex

#### **KMoAS Office Concerns/Issues (if any):**

- Prompt reporting is an issue for some groups; the former Kingdom Seneschal advised me not to remove any officers who were out of compliance, so I did not. However, I will continue to communicate with the local Seneschals about officers who are not in compliance with reporting requirements.

#### **Historical Combat Studies:**

- No report was provided.
