Current KMoAS Office Projects:

- The use of a shorter, 1-page judging form and removal of the judges' guidance to a separate document were successful, so the new, shorter, form and separate guidance will be standard use across the Kingdom.
- I have re-aligned my deputies away from a region-basis and to a project-basis, to provide them with meaningful projects to work on.
- We are working to compile a master list of judges (for the competition) and teachers (for the collegium), so future planning and logistics should go easier.
- An "after action" report outlining the Competition and its activities was submitted to the Crown and Society MoAS for lessons learned; this is important as there were many new ideas that were implemented at the Competition ("welcome" letters, pre-assigning and notifying judges and entrants, using multiple rooms instead of a large room for the Competition).

Future KMoAS Office Projects:

- Event planning for Kingdom A&S Collegium will begin in August 2016; the collegium will be held in April 2017.

Kingdom A&S Competition – Status Update:

- Due to a change in Kingdom Law, the Kingdom A&S Competition is held on the second weekend of April in even years. The College of St. Goliath hosted Kingdom A&S Competition, in April 2016.
- The deputy responsible for logistics and coordination with the event steward was THLady Isabella di Francesco Ambrosini.

Kingdom A&S Collegium – Status Update:

- Due to a change in Kingdom Law, the Kingdom A&S Collegium has been established and is held on the second weekend of April in odd years. 2017 will see our second Kingdom-wide collegium in many years, although the Northern and Southern halves of the Kingdom have put on successful A&S collegia.
- The deputy responsible for logistics and coordination with the event steward is THLady Isabella di Francesco Ambrosini.
- Groups have been invited to submit event bids for this event; to-date, no groups have submitted a bid, although a few groups have sent correspondence indicating they are interested in looking into it.

A&S Activities of Note (events, displays, competitions, etc.):

- To get artisans more comfortable with displaying at smaller events and to prepare them, incrementally, for larger A&S competitions and Kingdom A&S and interkingdom Wars, local groups are encouraged to support artisans’ displays and local competitions. The deputy responsible for these is Baroness Katherina von Lehmann.
- Kingdom A&S Competition:
