Current KMoAS Office Projects:

- A new, shorter, form and separate judges' guidance will be standard use across the Kingdom.
- We are continuing to compile a master list of judges (for the competition) and teachers (for the collegium), so future planning and logistics should go easier. This is a work-in-progress, having been recently updated after Battlemoor, our Kingdom's big War.

Future KMoAS Office Projects:

- Event planning for Kingdom A&S Collegium will begin in August 2016; the collegium will be held in April 2017.
- We are also looking at the possibility of doing scheduled judging at the next Kingdom A&S Competition; some baronies are piloting this concept and will report back to this office about the experience.

Kingdom A&S Competition – Status Update:

- Due to a change in Kingdom Law, the Kingdom A&S Competition is held on the second weekend of April in even years.

- The deputy responsible for logistics and coordination with the event steward will be announced at a later date, as the current deputy will be succeeding as KMoAS in November 2016.

Kingdom A&S Collegium – Status Update:

- Due to a change in Kingdom Law, the Kingdom A&S Collegium has been established and is held on the second weekend of April in odd years. The Collegium will be hosted by the Shire of Aarquelle (Pueblo, CO).
- The deputy responsible for logistics and coordination with the event steward will be announced at a later date, as the current deputy will be succeeding as KMoAS in November 2016.

A&S Activities of Note (events, displays, competitions, etc.):

- To get artisans more comfortable with displaying at smaller events and to prepare them, incrementally, for larger A&S competitions and Kingdom A&S and interkingdom Wars, local groups are encouraged to support artisans' displays and local competitions. The deputy responsible for these is Baroness Katherina von Lehmann.
- Battlemoor was hosted over Labor Day weekend and had over 80 classes offered over a four-day period. Baronies had an opportunity to present a display of arts and sciences. The history of the Kingdom (this is our 30th birthday) was also highlighted at Battlemoor, with a museum of the ancient and venerable pieces of our history.
- Queen's Prize (the A&S display for individuals with the AoA-level arts award or lower) will be held in the Canton of Hawk's Hollow, Barony of Caerthe in October 2016.
