

OUTLANDS ADDENDUM

EQUESTRIAN

Preamble

All Equestrians in the Outlands are to know the rules presented in the SCA Equestrian Marshal's Handbook and the Outlands Addendum: Equestrian handbook. The rules in the SCA Equestrian Marshal's Handbook take precedence over the Outlands Addendum Equestrian handbook. The Outlands Addendum Equestrian handbook directly adds to the rules stated in the SCA Equestrian Marshal's Handbook. The rules found here are applicable to all Equestrian activities in The Kingdom of the Outlands. All Equestrians are equally responsible for their safety, the safety of their fellow fighters, the safety of theirs and others mounts, and of the people around them. At all times, safety takes precedence and should be primary.
